Dear Mrs Seth,

Thank you so much for your email! It's great to hear what Lydia's and Rhys's impressions of our school were!

Concerning the feedback I received: all the students really, really liked the play! They were so impressed by the performance! And they loved it that they were allowed to ask questions afterwards!

My impressions were the same: I really enjoyed the play myself. The booking process was made really easy, and what I liked especially was that my emails were answered quickly and that you even sent an email to confirm that the money had arrived.

So: thank you very much: Lydia, Rhys and you made it a great day for our year 7!

I will write an article, but I will write it for our school magazine which is only published once a year. As soon as I have done that, I will send the article to you.

Have a nice evening, too!

Yours sincerely
Anne Tangen
