Performance of Saddle Up

Dear Ms Seth,

Just writing to say a big „Thank you!“ to you and your wonderful actors, Rhys and Lydia, who absolutely thrilled and motivated and stunned our pupils last Monday with their performance of “Saddle up!”.

But, first things first: the play itself is really wonderful, so a big “thumbs up” to you! I am looking forward to your production for the forthcoming year, which I would be absolutely delighted to see on our stage in July 2018.

What was particularly wonderful to see last Monday was that the pupils who were in last year’s year 5 remembered Rhys from his performance in 2016. They loved him, as they did with Lydia, which showed when the pupils had the chance to ask them questions. Again, it was wonderful to see these young children not hesitating to ask questions in English, and finding no difficulty in understanding the answers and explanations they were given.

So, all in all, and without even the slightest reason for complaint – you know, just like us Germans always say “Ich kann mich nicht beklagen”, just as if life was just about finding reasons for complaining – I am very grateful for working together with The Phoenix Theatre, and I would be much delighted if you see an opportunity to book us in again for next year, again for years 5 and 6.

Yours sincerely

Holger Wörtmann
