Performance of Shakespeare's Bottom

Dear Mrs. Seth,
Actually, I should be the one thanking you because your two actors were brilliant and our students really enjoyed both the play and the discussion afterwards. And speaking about spreading the word, my intention was to write a newspaper article which I only haven't done yet as today I had to go to Münnerstadt to the regional competition of "Jugend debattiert". Anyway, as soon as the article has appeared on our homepage and in the newspaper, I'll send you a copy and the link. By the way, could you maybe tell me names of the actors again? I think they were Rhianna and Joe, but for some reason I never asked for their last names...

Thanks again and I'm sure we'll keep in contact J

Take care

the show today was a success again ... so: Thanks a lot!

Like last year, I would like to ask you if you could forward us some photos of the productions for our yearbook as we did not take any. That would be lovely.

Dear Mrs Seth,

After today's fabulous theatre plays we - the Hebel-Gymnasium - would like to say thank you.

We enjoyed both of the plays very much and I am sure, we will see us again next year.

Everything worked out well and now I'm going to transfer the rest of the entry fees.

It would be great to get updated by you via email to keep in touch with the Phoenix theatre team and to know what's on stage.

Thank you again and thanks to your very nice and talented actors.

Performance of Echoes

The performances yesterday were great and the actors were super nice and professional.

The newspaper article isn't online, yet. I will send you the link as soon as it is online. There will also be an article on our homepage and in our yearbook. I will send you this link as well. So there will be a lot of information about you online and in the newspaper.

I talked to the other teachers and they said that the topic was very good and of great importance for the students. It was very good the way the actors interacted with the students.

... we will need two performances next year again. So it would be nice to keep me updated. =)

Thank you for your hard work as well. We all had a great time yesterday!

Have a good week.

Best wishes

Performance Echoes

Liebe Frau Seth,

die Vorstellung Ihres Stückes an der Schule in Worpswede hat mir sehr gut gefallen. Ich hatte den Eindruck, dass es den Schülerinnen und Schülern auch gefallen hat, dass sie den Inhalt im Großen und Ganzen verstanden haben, wenn auch nicht alle sprachlichen Einzelheiten. Genauer kann ich Ihnen leider nicht berichten, da ich gerade in Pension gegangen bin und nach der Vorstellung keine Schüler mehr gesprochen habe.

Die beiden jungen Schauspieler waren ganz reizend. Wir haben uns noch recht ausführlich unterhalten. Ich werde Ihr Theater gern weiter empfehlen.

Mit freundlichen Grüßen

Workshop Class 5 (42 participants)

Dear Ms Seth,

My students really enjoyed the workshop and are keen on doing more role plays and short theatre plays in class. When asked what they enjoyed most, they responded that they really liked developing their own plays.

The other group enjoyed the day too. My colleague thought that the students would have sometimes needed more input, e.g. language help. They had difficulties developing short scenes completely on their own. It would have helped them to have the beginning of a play so that they only had to finish it.

Unfortunately, I cannot send you photos of the workshop as we have strict rules regarding photos and the data of our students. But I've attached the article that I wrote for our homepage. You are welcome to use it.

Thanks again for the great day!

Performance of Captain Jack

Dear Mrs Seth,

You asked about a feedback from the pupils of our schools in Wallerstein, who enjoyed your theatre's performance of Captain Jack.

I can tell you that my pupils were curiously looking forward to this event, and they were impressed about what they saw and heard, even though they didn't understand everything, because they are beginners in their second year of learning the foreign language. The actors Rhianna and Joe successfully involved the children and so they all enjoyed the show.

Every child in my class wrote just one sentence about the play and I took a photo of the results, which I send you hereby.

Perhaps we'll meet again next season.

Yours sincerely

Performance of Echoes

Hallo Frau Seth,

Wir hatten eine tolle Aufführung , die Atmosphäre war sehr entspannt und ich habe , mich gefreut, dass es viele positive Rückmeldungen gab. Damit Sie das auch als Referenz verwenden können, steht zum einen ein Artikel auf unserer Homepage <http://www.st-ursula-attendorn.de/gymnasium/aktuelles/page/2/> und im Anhang schicke ich Ihnen den Artikel, der in der örtlichen Presse erschienen ist. Wir werden sicherlich wieder auf Sie zukommen und eventuell wäre dann eine Kooperation mit der Realschule oder dem anderen Gymnasium am Ort denkbar.

Meine Klasse wird sich bei den Schauspielern noch melden mit einer Einladung der englischen Theater AG, im Moment habe ich die Termine der Aufführungen aber nicht.

Nochmal vielen Dank für die unkomplizierte Zusammenarbeit und die tolle Aufführung.

Viele Grüße aus dem frühlingshaften Sauerland

Performance of Echoes

Das Theaterstück "The Loss of Lilly" spricht ein hochaktuelles Thema an und die Schauspieler haben das sehr gut umgesetzt. An manchen Stellen haben sie das Publikum mit einbezogen, was die Aufmerksamkeit der Schüler nochmals erhöht hat. Wir alle haben das Stück als sehr gelungen empfunden und können es ohne Einschränkungen weiterempfehlen.
